

WHITE BARK PINE & GRIZZLY BEAR PRESENTATION

Get Informed and perhaps Participate in a Management strategy of Two Key concerns that the Lillooet Tribal Council EcoAction and the Lillooet Naturalist Society share

- 1) White bark Pine Restoration within the Northern St'at'imc Territory
(Randy Moody) MSc, RPBio, Ecologist
- 2) Feeding Ecology of Grizzly Bears in BC's southern Coastal Mountains
(Yvonne Patterson) MSc Student Candidate

The goal of these presentations is to raise awareness and generate interest for motivated people to come out this summer and dedicate some time to these interesting subject areas

Hosted by Lillooet Naturalist Society

Admission: Donation to the Lillooet Food Bank

March 11, 2010

Lillooet Friendship Center
7 pm
