Webinar - Wonders of the Salish Sea

Discover the **Wonders of the Salish Sea**
with scientists, naturalists, and environmentalists.

Join our bi-national community as we learn about creatures big and small, ocean dynamics, restoration successes and more. Prizes, quizzes, field trips and all new speakers!

March 18 & 25, April 8 & 15, 2024
7 to 9 PM, PDT, via Zoom
\$25 for all sessions or by donation

Information and registration at wondersofthesalishsea.com

Hosted by Transition Salt Spring Society

Wonders of the Salish Sea takes place on the traditional, ancestral, and unceded territory of the Coast Salish Peoples

Photo credit: Julia Adolphson

The Wonders of the Salish Sea 8th annual adult education program is running in March and April of 2024. Some exciting speakers and topics are highlighted again to expand your knowledge and understanding of this beautiful Salish Sea ecosystem that spans the Strait of Georgia and Puget Sound.

See the poster and schedule to the right.

To register, visit the WSS website wondersofthesalishsea.com

Watch for notifications on field trips that are being offered to local intertidal areas near you. Once registered, you will receive updates in the WSS Newsletter.

Upcoming Info Sessions: Fish & Wildlife Compensation Program

The [Fish & Wildlife Compensation Program](#) has a great roster of information sessions coming up in the next few weeks to share results from projects we fund.

The FWCP is hosting online information sessions in January and February to share results about projects we fund. To learn more and register for all info sessions, visit fwcp.ca/events.

Upcoming information sessions:

1. *Tues., Jan. 23* *Whitebark pine recovery*
2. *Wed., Jan. 24* *Arctic grayling distribution and water temperature*
3. *Thurs., Feb. 8* *Nutrient Restoration Programs: rebuilding the food web and ecosystem*
4. *Tues., Feb. 13* *Land Securement: Morrison Creek Headwaters (Vancouver Island)*
5. *Fri., Feb. 23* *Improving fish passage in our Peace Region*
