

Upcoming Events

World Rivers Day - BC

Does your club/group have an event happening in the upcoming weeks leading up to World's River Day? If not, and you are interested in supporting World Rivers Day, here is a link to [Outdoor Recreation Council](#) showing a variety of links in different areas of BC. Protecting our rivers and waterways is so much more important these days with Climate Emergency! Get involved - save a river.

Congratulations Hamilton Wetlands and Forest Preservation Society

It's finally happening.

After two decades of relentless effort—giving school presentations, leading nature tours, speaking at community events, writing letters, building partnerships, and pushing beyond what once seemed possible—we're thrilled to share that the full 360 hectares of the Hamilton Marsh area is now on the path to protection. Key Biodiversity Areas (KBA) 2025 Photo Contest

From our partners at KBA - Details of the 2025 Photo Contest. [Read more](#) Please make sure you check the guidelines prior to entering your stunning photograph. Entries accepted until October 10, 2025.

Enter to Win - Quest Nature Tours

From our advertising partners Quest Nature Tours - please [see details of how you can win a trip for two](#) to Churchill, Manitoba to view our Iconic Polar Bears. Deadline for entries is September 30, 2025

Viewing nature with Quest Nature Tours is a unique way to educate oneself about nature, especially in Churchill, Manitoba! Serving naturalists since 1970 with great tours highlighting nature all over the world.

BC Nature Executive Director

Stewart Guy, our first and only Executive Director has left us at the end of August. It's a good time for us to think about what this position might look like in the future and it's a good time for him, since he's embarked on a 6-week trip in the UK and Europe. We are extremely grateful for what he has accomplished for BC Nature, we wish him an excellent and relaxing holiday—and

we know he will be back to help us in some capacity in the future.

Signed

The BC Nature Board

Interesting Reads as Sent to BC Nature

[Will British Columbia Save the Inland Temperate Rainforest and its Endangered Southern Mountain Caribou Before It's Too Late?](#)

[Pacific Salmon and their Circle of Life](#)

Although not a "read" - this great video is a great seasonal watch

[Great Blue Herons in the City: A Story of Wildlife, Resilience, and Urban Coexistence](#)

Another great "watch" for those upcoming gloomy days!
