

# Mammals of Lillooet

## Index of Mammals for the Lillooet Area by Order and Family

Order Insectivora: Insectivores

Family Soricidae: Shrews

Order Lagomorpha: Lagomorphs

Family Ochotonidae: Pikas

Family Leporidae: Hares and Rabbits

Order Rodentia: Rodents

Family Aplodontidae: Mountain Beavers

Family Sciuridae: Squirrels

Family Castoridae: Beavers

Family Muridae: Murids

Subfamily Arvicolinae: Voles and Lemmings

Subfamily Murinae: Old World Rats and Mice

Subfamily Sigmodontinae: New World Rats and Mice

Family Dipodidae: Jumping Mice and Jerboas

Family Erethizontidae: New World Porcupines

Order Carnivora: Carnivores

Family Canidae: Canids

Family Ursidae: Bears

Family Procyonidae: Procyonids

Family Mustelidae: Mustelids

Family Felidae: Cats

Order Artiodactyla: Even-toed Ungulates

Family Cervidae: Cervids

Family Bovidae: Bovids

### ORDER INSECTIVORA: Insectivores

#### FAMILY SORICIDAE: Shrews

| Species Name                      | Subspecies                | Common Name  |
|-----------------------------------|---------------------------|--------------|
| <i>Sorex cinereus</i> Kerr        | <i>cinereus streatori</i> | Common Shrew |
| <i>Sorex monticolus</i> Merriam   |                           | Dusky Shrew  |
| <i>Sorex palustris</i> Richardson | <i>brooksi* navigator</i> | Water Shrew  |

### ORDER LAGOMORPHA: Lagomorphs

#### FAMILY OCHOTONIDAE: Pikas

| Species Name                          | Subspecies     | Common Name |
|---------------------------------------|----------------|-------------|
| <i>Ochotona princeps</i> (Richardson) | <i>fenisex</i> | Common Pika |

#### FAMILY LEPORIDAE: Hares and Rabbits

| Species Name                     | Subspecies                             | Common Name   |
|----------------------------------|----------------------------------------|---------------|
| <i>Lepus americanus</i> Erxleben | <i>cascadensis</i><br><i>pallidus*</i> | Snowshoe Hare |

### ORDER RODENTIA: Rodents

Family Sciuridae: Squirrels

Family Castoridae: Beavers

Family Muridae: Murids

Subfamily Arvicolinae: Voles and Lemmings

Subfamily Murinae: Old World Rats and Mice

Subfamily Sigmodontinae: New World Rats and Mice

Family Dipodidae: Jumping Mice and Jerboas

Family Erethizontidae: New World Porcupines

**FAMILY SCIURIDAE: Squirrels**

| Species Name                                      | Subspecies                                                | Common Name              |
|---------------------------------------------------|-----------------------------------------------------------|--------------------------|
| <i>Glaucomys sabrinus</i> (Shaw)                  | <i>alpinus</i><br><i>fuliginosus</i><br><i>reductus</i> * | Northern Flying Squirrel |
| <i>Marmota caligata</i> (Eschscholtz)             | <i>cascadensis</i>                                        | Hoary Marmot             |
| <i>Marmota flaviventris</i> (Audubon and Bachman) | <i>avara</i>                                              | Yellow-bellied Marmot    |
| <i>Tamias amoenus</i> J. A. Allen                 | <i>affinis</i>                                            | Yellow-pine Chipmunk     |
| <i>Tamiasciurus hudsonicus</i> (Erxleben)         | <i>streatori</i>                                          | Red Squirrel             |

**FAMILY CASTORIDAE: Beavers**

| Species Name                  | Subspecies                              | Common Name |
|-------------------------------|-----------------------------------------|-------------|
| <i>Castor canadensis</i> Kuhl | <i>leucodontus</i><br><i>sagittatus</i> | Beaver      |

**FAMILY MURIDAE: Murids**  
**SUBFAMILY ARVICOLINAE: Voles and Lemmings**

| Species Name                          | Subspecies                             | Common Name              |
|---------------------------------------|----------------------------------------|--------------------------|
| <i>Clethrionomys gapperi</i> (Vigors) | <i>saturatus</i><br><i>stikinensis</i> | Southern Red-backed Vole |
| <i>Microtus longicaudus</i> (Merriam) | <i>longicaudus</i>                     | Long-tailed vole         |
| <i>Microtus pennsylvanicus</i> (Ord)  | <i>drummondii</i>                      | Meadow Vole              |
| <i>Ondatra zibethicus</i> (Linnaeus)  | <i>osoyoosensis</i>                    | Muskrat                  |
| <i>Phenacomys intermedius</i> Merriam | <i>intermedius</i>                     | Heather Vole             |

**FAMILY MURIDAE: Murids**  
**SUBFAMILY MURINAE: Old World Rats and Mice**

| Species Name                          | Subspecies        | Common Name     |
|---------------------------------------|-------------------|-----------------|
| <i>Mus musculus</i> Linnaeus          | <i>domesticus</i> | House Mouse (I) |
| <i>Rattus norvegicus</i> (Berkenhout) | not applicable    | Norway Rat (I)  |

**FAMILY MURIDAE: Murids**  
**SUBFAMILY SIGMODONTINAE: New World Rats and Mice**

| Species Name                           | Subspecies          | Common Name          |
|----------------------------------------|---------------------|----------------------|
| <i>Neotoma cinerea</i> (Ord)           | <i>occidentalis</i> | Bushy-tailed Woodrat |
| <i>Peromyscus keeni</i> (Rhoads)       |                     | Keen's Mouse         |
| <i>Peromyscus maniculatus</i> (Wagner) | <i>artemisiae</i>   | Deer Mouse           |

**FAMILY DIPODIDAE: Jumping Mice and Jerboas**

| Species Name                        | Subspecies        | Common Name          |
|-------------------------------------|-------------------|----------------------|
| <i>Zapus hudsonius</i> (Zimmermann) | <i>tenellus</i> * | Meadow Jumping Mouse |

**FAMILY ERETHIZONTIDAE: New World Porcupines**

| Species Name                         | Subspecies              | Common Name |
|--------------------------------------|-------------------------|-------------|
| <i>Erethizon dorsatum</i> (Linnaeus) | <i>myops nigrescens</i> | Porcupine   |

**ORDER CARNIVORA: Carnivores**

Family Canidae: Canids  
 Family Ursidae: Bears  
 Family Procyonidae: Procyonids  
 Family Mustelidae: Mustelids  
 Family Felidae: Cats

**FAMILY CANIDAE: Canids**

| Species Name             | Subspecies    | Common Name |
|--------------------------|---------------|-------------|
| <i>Canis latrans</i> Say | <i>lestes</i> | Coyote      |

| Species Name                    | Subspecies                  | Common Name |
|---------------------------------|-----------------------------|-------------|
| <i>Canis lupus</i> Linnaeus     | <i>nubilus occidentalis</i> | Gray Wolf   |
| <i>Vulpes vulpes</i> (Linnaeus) |                             | Red Fox     |

#### FAMILY URSIDAE: Bears

| Species Name                   | Subspecies        | Common Name  |
|--------------------------------|-------------------|--------------|
| <i>Ursus americanus</i> Pallas | <i>cinnamomum</i> | Black Bear   |
| <i>Ursus arctos</i> Linnaeus   | <i>horribilis</i> | Grizzly Bear |

#### FAMILY PROCYONIDAE: Procyonids

| Species Name                    | Subspecies         | Common Name |
|---------------------------------|--------------------|-------------|
| <i>Procyon lotor</i> (Linnaeus) | <i>pacificus</i> * | Raccoon     |

#### FAMILY MUSTELIDAE: Mustelids

| Species Name                        | Subspecies                 | Common Name        |
|-------------------------------------|----------------------------|--------------------|
| <i>Gulo gulo</i> (Linnaeus)         | <i>luscus</i>              | Wolverine          |
| <i>Lontra canadensis</i> (Schreber) | <i>pacifica</i>            | River Otter        |
| <i>Martes americana</i> (Turton)    | <i>abietinoides</i>        | Marten             |
| <i>Martes pennanti</i> (Erxleben)   | <i>columbiana pacifica</i> | Fisher             |
| <i>Mephitis mephitis</i> (Schreber) | <i>hudsonica</i>           | Striped Skunk      |
| <i>Mustela erminea</i> Linnaeus     | <i>richardsonii</i>        | Ermine             |
| <i>Mustela frenata</i> Lichenstein  | <i>nevadensis</i>          | Long-tailed Weasel |
| <i>Mustela vison</i> Schreber       | <i>energumenos</i>         | Mink               |

#### FAMILY FELIDAE: Cats

| Species Name                    | Subspecies                  | Common Name |
|---------------------------------|-----------------------------|-------------|
| <i>Puma concolor</i> (Linnaeus) | <i>oregonensis</i>          | Cougar      |
| <i>Lynx canadensis</i> Kerr     | none recognised             | Lynx        |
| <i>Lynx rufus</i> (Schreber)    | <i>fasciatus pallescens</i> | Bobcat      |

### ORDER ARTIODACTYLA: Even-toed Ungulates

#### FAMILY CERVIDAE: Cervids

| Species Name                               | Subspecies       | Common Name       |
|--------------------------------------------|------------------|-------------------|
| <i>Alces alces</i> (Linnaeus)              | <i>andersoni</i> | Moose             |
| <i>Odocoileus hemionus</i> (Rafinesque)    | <i>hemionus</i>  | Mule Deer         |
| <i>Odocoileus virginianus</i> (Zimmermann) | <i>ochrourus</i> | White-tailed Deer |

#### FAMILY BOVIDAE: Bovids

| Species Name                            | Subspecies          | Common Name   |
|-----------------------------------------|---------------------|---------------|
| <i>Oreamnos americanus</i> (Blainville) | none recognised     | Mountain Goat |
| <i>Ovis canadensis</i> Shaw             | <i>californiana</i> | Bighorn Sheep |
